

Technical Data Sheet (TDS) Rev. 1.00

PROKLEAR® RAW Xtreme CX Carnauba Wax Rinseless/Waterless/Dry Wash Concentrate

Product Description: PROKLEAR® RAW Xtreme CX Carnauba Wax Rinseless/Waterless/Dry Wash Concentrate is a highly concentrated solution designed for rinseless, waterless, and dry car washing. It combines the power of carnauba wax and advanced cleaning agents to provide exceptional cleaning performance, enhanced gloss, and long-lasting protection. This product is dilutable up to 200 times, has a pH of 7, and passed ASTM B117 and RoHS testing conducted by TUV Labs.

Physical Properties:

Dilution Ratio	pH	Viscosity
Up to 200 times	7	400

Product Features:

- Carnauba Wax Formula: Incorporates carnauba wax for superior protection and a high-gloss finish.
- Rinseless, Waterless, and Dry Wash: Allows for effective cleaning without the need for rinsing or using large amounts of water.
- Advanced Cleaning Agents: Provides exceptional cleaning power, removing dirt, grime, and contaminants.
- Enhanced Gloss: Leaves a deep, rich gloss on the vehicle's surface.
- Long-lasting Protection: Forms a protective layer that provides long-term resistance against environmental elements.

Technical Data Sheet (TDS) Rev. 1.00

PROKLEAR® RAW Xtreme CX Carnauba Wax Rinseless/Waterless/Dry Wash Concentrate

- Versatile Application: Suitable for use on various vehicle surfaces, including paint, glass, chrome, and plastic.

Application Instructions:

1. Dilution: Dilute the concentrate with water at a ratio of up to 200 times.
2. Spray Application: Spray the diluted solution onto a small section of the vehicle's surface.
3. Wipe and Clean: Use a microfiber cloth to gently wipe and clean the section, removing dirt and grime.
4. Buff and Polish: For enhanced gloss and protection, buff the section using a clean, dry microfiber cloth.
5. Repeat the process: Move to the next section and repeat steps 2 to 4 until the entire vehicle is cleaned and polished.

Safety Precautions:

- Avoid contact with eyes. In case of eye contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Keep out of reach of children.
- Refer to the Safety Data Sheet (SDS) for detailed safety information.

Storage and Handling:

- Store in a cool, dry place.
- Keep the container tightly closed when not in use.
